

## Home Group Study – 19<sup>th</sup> April 2026

### Introduction

Geoff preached on Sunday and shared a message about trusting in God for every area of our lives. Read through [Luke 6:20-38](#) and discuss what jumps out at you straight away.

### Questions

1. Verses 20-23 are known as the Beatitudes. What do these verses teach us about trusting in God?
2. In verses 24-26 Jesus brings warnings to those who are rich, full, happy etc. Why might being rich and full be spiritually dangerous?
3. In what way can we trust God when Jesus says **“Love your enemies and bless those who curse you?”**
4. Verse 37 encourages us not to judge people. Are we often quick to judge people without knowing their story? If so how can we prevent this from happening in the future?
5. How can we become more generous with money, time, encouragement and attention?

### Application

Pray for anyone who had a need in the room and pray also for those who were not able to make the group gathering.

Blessings and Love
